

VIVID & CARE LIPSTICK LIP-I002

DESCRIPTION

The **Vivid & Care Lipstick** is a lipstick with a satin gloss finish for an assertive look!

No compromise between enhancing lips and taking care of it. Take advantage of this beautiful lipstick in an ultra-feminine shade with a touch of care that pamper your lips.

Enriched with a **powerful antioxidant**, it will bring comfort and hydration to your lips. Thanks to active ingredient from sea, your lips will be nourished and will regain volume.

While using the vivid lipstick keep in mind that your lips will be repaired, nourished and moisturized in the same time. Performances and care in the same product, that's the promise of the Vivid & Care Lipstick.

 **NOC : 90.6%**

WHAT'S INSIDE ?

- **MiyoFILM CCTG (75%):** This natural film former improves the adhesion to lips and forms a flexible film allowing an homogeneous application and bringing comfort.
